Official Virtual Seahorse XF User Training

Did your lab just purchase a new Seahorse XF instrument? Are you a new XF user? Has it been a while since you used XF, and you need an update on new assays and protocols? Do XF users at your core facility need to be trained? XF Application Engineers have been hosting monthly, virtual, XF user trainings. These trainings occur in 3 parts.

Training Part 1 - Day 1:

*Navigating your Seahorse assay journey:
How to use Seahorse XF assays to tell a metabolic story*

Training Part 2 – Day 2:

How to run a Seahorse XF assay

Training Part 3 :

Schedule individually with local AE

Customized meeting with you or your lab to analyze data you collected from your first assay, and to discuss next steps

You do not need to have immediate access to an XF instrument in order to participate in virtual training

Register [here](#) to be notified of next month's training

Meeting links will be sent out 24 -72 hours prior to the training events upon registration
